

CURRICULUM VITAE

Name: Giorgio Luigi Piacentini

Born on [REDACTED] in [REDACTED] Italy

1987: Medical Degree at the Università di Verona school of medicine with the experimental thesis titled: "Therapy of chronic asthma in pediatrics: a possible anti-inflammatory mechanism of theophylline"

1988: Admission to PhD in Fisiopatologia Metabolica Congenita, Università di Verona school of Medicine.

February 1990-March 1991: Research fellow at the "International center for Interdisciplinary Studies of Immunology", Georgetown University di Washington, DC, USA, directed by Prof. Joseph A. Bellanti, and the "Allergy Division" of the "National Institute of Allergy and Infectious Diseases", Bethesda, MD, USA, directed by Dr. Anthony Fauci.

1991: Senior Research Associate of Pediatrics at the University of Verona, School of Medicine

1992: Certified PhD.

March 1993: Research stay at the "Division of Allergy and Clinical Immunology" dell'"University of Virginia", Charlottesville, VA, USA, directed by Prof. Thomas AE Platts-Mills.

1994: Board certified Pediatrician

September 2002: Associate Professor of Pediatrics at the University of Verona, School of Medicine.

December 2014: Full Professor of Pediatrics at the University of Verona, School of Medicine

Functional Head of the UOS Pediatric Respiratory Disease Section, Pediatric Department AOUI Verona, Italy

16, April 2020

International publications with I.F.
