

Francesca Maria Quaglia

STUDIES

May 2022: **PhD in Clinical and experimental biomedical sciences** at Verona University. Thesis title: “Chronic lymphocytic leukemia and mantle cell lymphoma: similarities and differences from an integrated biological and clinical approach”

September 2020: **Advanced Course 2020** “Systematic reviews and meta-analyzes for the production of evidence-based guidelines”, Prof. Barbui, Verona University

December 2018: **Specialization in Hematology** at the University of Bologna, A.O.U. of Ferrara. Final vote: 110/110 cum laude. Thesis title: “In chronic lymphocytic leukemia with complex karyotype, major structural abnormalities identify a subset of patients with inferior outcome and distinct biological characteristics”

June 2014: **Second Level degree in Medical Science** by Scuola Superiore Sant’Anna. Final vote: 100/100 cum laude. Thesis Title: “Fentanyl Buccal Tablet: a new breakthrough pain medication in early management of severe vaso-occlusive crisis in sickle cell disease”

September 2012: **Degree in Medicine and Surgery** at the University of Pisa. Final vote: 110/110 cum laude and dignity of print. Thesis Title: “Role of the EEG-fMRI in the preoperative work-up of patients with intractable focal seizures”

WORK AND EDUCATIONAL EXPERIENCES

February 2020- : **Hematologist (permanent consultant)** at Azienda Ospedaliera Universitaria Integrata (A.O.U.I) Verona, Hematology Unit and Bone Marrow Transplantation Center. Policlinico G.B. Rossi

January 2019 – February 2020: **Hematologist (with autonomous work assignment)** at Azienda Ospedaliera Universitaria Integrata (A.O.U.I) Verona, Hematology Unit and Bone Marrow Transplantation Center. Policlinico G.B. Rossi

October 2018 – September 2021: **PhD Program** in Clinical and Experimental Biomedical Sciences at Verona University

December 2014 – December 2018: **Residency Program in Hematology**, University of Bologna – A.O.U. of Ferrara

August 2013 – November 2014: **First Year of the Residency Program in Internal Medicine**, University of Verona – A.O.U.I. of Verona, Internal Medicine Section, Department of Medicine, Policlinico GB Rossi

February 2013 – August 2013: **Fellowship at the Internal Medicine Section**, Department of Medicine, University of Verona – A.O.U.I. of Verona, Policlinico GB Rossi

November 2012 – January 2013: **Fellowship at the Neuroradiology Unit**, Department of Radiology (Dr Cosottini, Pr Caramella), Cisanello University Hospital, Pisa

October 2011: **Internship at Necker-Enfants Malades University Hospital, Paris** (Radiology Dep, Pr JM Correas)

August-October 2010: **Summer Studentship at the Hospital for Sick Children in Toronto** (Neuroimaging lab, Senior Scientist Margot Taylor)

October 2009: **Visiting student in USA** (Washington, Baltimore and New York), organized by Scuola Superiore Sant’Anna: NIH, Johns Hopkins University, Mount Sinai Hospital, Weill Cornell Medical College and New York-Presbyterian Hospital

October 2006 – September 2012: **Undergraduate program in Medicine at Scuola Superiore Sant’Anna, Pisa** (a public elite school that offers special research-oriented programs in various disciplines for highly selected students. While these students follow their regular medical courses at the University of Pisa, they also attend in parallel, advanced courses and internships introductory to basic and clinical research at the Scuola)

AWARDS/GRANTS

November 2019: FIL Premio Giovani Ricercatori (II Ed.) for the project “Clinical and biological insights of first relapsed-refractory patients with mantle cell lymphoma (MCL): the Mantle-First BIO Study”. PI: Dr FM Quaglia. Euro 100,00
FIL_MANTLE-FIRST BIO Study; <https://clinicaltrials.gov/NCT04882475>

ACADEMIC AND TEACHING APPOINTMENTS

Since 2022 Member of the **Aggressive Lymphomas Committee** (Commissione Aggressivi, CA) and **Youth Group** (Gruppo Giovani) of the Aggressive Lymphomas Committee (GG-CA) of the Italian Lymphoma Foundation (FIL)

Since 2022 Member of the **Lymphoma in the Elderly Committee** of the Italian Lymphoma Foundation (FIL)

Since 2019 Member of the **Biological Studies Committee** of the Italian Lymphoma Foundation (FIL)

Since 2019: Member of the Fondazione Italiana Linfomi (FIL)

Since 2019: Member of the Italian Society for Clinical Cell Analysis (ISCCA)

From 2018: Member of the Italian Society of Hematology (SIE)

Since 2017: Member of the Italian Society of Experimental Haematology (SIES)

Since 2020 **scientific reviewer for:**

- Frontiers in Oncology
- Tendenze Nuove

Since 2019 participation in **italian hematological projects**: “Hema for the Future” Project (objective: organization of meetings and free discussions dedicated to young specialists in the hematology field, for the discussion of scientific trends of the near future in the hematology field); “Lymphoma Forum” Project (objective: organization of meetings of Italian hematologist for the writing of clinical protocols)

Since 2015 involved in **teaching activities**: within the Residency Program in Hematology (A.O.U of Ferrara); Periodic Update in Hematology (Editions 2016, 2017, 2018, accredited course for “ECM”, A.O.U. of Ferrara); School-Work Alternation projects (with students of the Liceo Scientifico Roiti of Ferrara; with students of the Liceo Classico Maffei/Liceo Scientifico Galilei of Verona); Exchange Program with the University of Maastricht and Ferrara University; Teaching Seminars/Tutorial Training School in General Medicine, Verona, 13th Triennial Course; Training and refresher course for health workers involved in the prevention and fight against HIV / AIDS-DGR n 1004/2019-course for medical staff.

Since 2014 involved as **sub-investigator or principal investigator in several clinical and therapeutic national and international protocols**, mostly regarding lymphoproliferative disorders

Since 2012 participation in **National and International Congresses, Meetings, Workshops and Symposia** in Italy and abroad, with posters or oral presentations

SCIENTIFIC PUBLICATIONS

Author of **42 scientific papers “Peer Reviewed” with ISSN:**

- 26 Scientific papers reported on PubMed, most of them with high rank impact factors (see the list of peer-reviewed PUB-MED indexed publication, searching “Quaglia FM”)
- 16 Case reports on EURORAD: the online database of the European Association of Radiology (NLM catalog)

Author of several **abstracts** and **posters** accepted in National and International Congress since 2012.

Author of **7 Chapters of the e-book Ematologia in progress** (www.ematologiainprogress.it)

Google Scholar query on 13 May 2022: h-index 12; i10-index 13, total citations 537

Scopus query on 13 May 2022 [ORCID number 0000-0003-4347-3775; Scopus Author ID: 57188538306]: h-index 10, total citations 378, 26 documents

OTHER CERTIFICATIONS

October 2021: **ALS**, Advanced Life Support (IRC/ERC/SUEM 118)

July 2020: Investigator Site Personnel Training **ICH GCP E6 (R2) Certificate**

December 2019: **ILS**, Immediate Life Support. (IRC/ERC)

December 2015: **BLS-D**, Basic Life Support and Defibrillation (IRC/ERC)

September 2014: Ultrasound Life Support Basic Management, Level 1-Provider Certification, Practice-Verona, Ospedale Civile Maggiore, Borgo Trento, Verona

November 2012: **ACLS**, Advanced Cardiovascular Life Support (AHA).

June 2011: **BLS-D**, Basic Life Support and Defibrillation (AHA).

December 2005: **FCE**, Cambridge First Certificate in English (Level B-2), Grade B

June 2004: Diploma di Compimento inferiore in Pianoforte at Trento Conservatorio di Musica
