

INFORMAZIONI PERSONALI

Roberto Salvia

Sede istituzionale:

Dipartimento di Ingegneria per la Medicina di Innovazione (DIMI), Università degli Studi di Verona, Strada Le Grazie, 15-37134 Verona

Istituto del Pancreas, Azienda Ospedaliera Universitaria Integrata di Verona, P.le Scuro, 10-37134 Verona

Telefono: 0458124552-3 (segr.)

Indirizzo e-mail: roberto.salvia@univr.it; roberto.salvia@aovr.veneto.it; roberto.salvia@pec.omceovr.it

Nazionalità: Italiana

Posizione attuale:

Professore Ordinario di Chirurgia generale - Dipartimento di Ingegneria per la Medicina di Innovazione (DIMI), Università di Verona

Direttore UOC di "Chirurgia del pancreas", Azienda Ospedaliera Universitaria Integrata di Verona

Direttore della Scuola di specializzazione in "Chirurgia generale", Università di Verona

Direttore del Master di I livello in "Cure palliative", Università di Verona

Profilo scientifico:

Pratica clinica: Chirurgo addominale riconosciuto a livello nazionale ed internazionale da oltre 20 anni, con specifico interesse per la chirurgia pancreatico biliare ed epatica (con più di 3000 resezioni come 1° operatore, co-operatore, tutor e assistente). Co-autore delle linee guida internazionali di Fukuoka sulla gestione degli IPMN e organizzatore di numerosi congressi e incontri sulla chirurgia e sulla patologia pancreatico biliare. Esperto di neoplasie del pancreas esocrino ed endocrino, neoplasie cistiche del pancreas, tecniche chirurgiche e mini-invasive. Gestione delle cure simultanee e palliative nel paziente neoplastico pancreatico.

Ricerca clinica: attività focalizzata sulle neoplasie pancreatiche esocrine ed endocrine, con particolare interesse per le neoplasie cistiche del pancreas e la loro gestione. *Principal Investigator* di numerosi progetti clinici in corso presso l'Istituto del Pancreas di Verona. Membro di diverse società scientifiche internazionali, già Segretario Generale E-AHPBA e presidente dell'EDS. Revisore per svariate riviste ad elevato *Impact Factor*, *Editor in Chief* della rivista "Digestive Surgery" e *Associate Editor* di "Annals of Surgery" e "Updates in Surgery".

Attività didattica: Docente di diversi corsi di chirurgia generale presso i CdL dell'Università di Verona e responsabile della supervisione clinica e didattica del medico in formazione specialistica nella Scuola di specializzazione in "Chirurgia

Generale” dell'Università di Verona, dove ha svolto attività di tutoraggio in più di 1000 interventi chirurgici.

Indicatori bibliometrici:

ESPERIENZA LAVORATIVA

2023 - ad oggi

Direttore UOC di “Chirurgia del pancreas”, Azienda Ospedaliera Universitaria Integrata di Verona
 Direttore della Scuola di specializzazione in “Chirurgia generale”, Università di Verona

2018 - ad oggi

Direttore del Master di I livello in “Cure palliative”, Università di Verona
 Professore Ordinario di Chirurgia generale - Dipartimento di Ingegneria per la Medicina di Innovazione (DIMI), Università di Verona

2014 - 2018

Professore Associato di “Chirurgia generale” presso il Dipartimento di Scienze Chirurgiche, Odontostomatologiche e Materno-Infantili (DIPSCOMI) dell'Università di Verona.
 Direttore esecutivo dell'Istituto del pancreas - Azienda Ospedaliera Universitaria Integrata di Verona

Gennaio 2014 - Ottobre 2014

Dirigente medico di I livello con incarico dirigenziale funzionale di Chirurgia pancreatico, Istituto del pancreas - Azienda Ospedaliera Universitaria Integrata di Verona

2011 - 2013

Dirigente medico di I livello con Alta specializzazione in “Chirurgia epato-bilio-pancreatica”, Istituto del pancreas - Azienda Ospedaliera Universitaria Integrata di Verona

1999 - 2010

Dirigente medico di I livello, Istituto del pancreas” - Azienda Ospedaliera Universitaria Integrata di Verona
 Research Fellow presso il Dipartimento di Chirurgia del MGH (Harvard Medical School, Boston, USA).

ISTRUZIONE E FORMAZIONE

2023

Corso di formazione manageriale per le funzioni di gestione sanitaria aziendale e per la gestione di strutture complesse-Fondazione SPP (Scuola di Sanità Pubblica) della Regione Veneto

2002

Dottorato di ricerca in "Scienze fisiopatologiche e cliniche del pancreas esocrino"
Università degli Studi di Verona, Italia
50/50mi e lode

1997

Specialista in chirurgia generale
Università degli Studi di Verona, Italia
70/70mi e lode

COMPETENZE PERSONALI

Capacità
organizzative/manageriali

- Spiccate capacità di ascolto e problem solving
- Pensiero critico e capacità di lavoro di squadra, promuovendo la collaborazione interdisciplinare
- Competenze avanzate di formatore chirurgico (casi clinici complessi)

ATTIVITA' SCIENTIFICA (ricerca, didattica e clinica)

	ACRONYM	STUDY TITLE
Chirurgia robotica e mininvasiva	Diploma 2x2	Minimally invasive versus open pancreatoduodenectomy for pancreatic and peri-ampullary neoplasms (DIPLOMA-2 and DIPLOMA-2x2): an international multicenter patient-blinded randomized controlled trial
	IGOMIPS	Registro Italiano Chirurgia Mininvasiva Pancreatica (IGOMIPS)
	COMPAR_SP	Studio di fattibilità sull'applicazione di nuove piattaforme robotiche in chirurgia pancreatica (COMPAR-SP)
Tumori neuroendocrini del pancreas	ITA-NET	Itanet Database – ENETS Registry: multicenter collection of Cancer cases
	EchoNET	Role of intraoperative hepatic ultrasonography in patients with gastrointestinal or pancreatic neuroendocrine tumor without liver metastases at preoperative imaging
Biopsia liquida	CASPER	Circulating tumor DNA as Surgical biomarker in patients with Pancreatic adenocarcinoma for statement of Resectability
	Pancfluid	Intracystic Fluid Collection from IPMN Pancreatic Cysts for Biobanking
Lesioni cistiche premaligne	Hiding	The High-Grade IPMN Target (HiDiNG): Dynamic Predictors of High-Grade Dysplasia in IPMN Patients Undergoing Surgery After Initial Surveillance A multicenter retrospective study
	Chopin	Clinical and pathological characterization of Solid Pseudopapillary Neoplasms
	Magician	Misdiagnosis of main pancreatic duct dilatation in Intraductal papillary mucinous Neoplasms

	PROMS	Patient-reported outcomes (PROMs) during surveillance for presumed intraductal papillary mucinous neoplasms of the pancreas with no indication for surgery
	SPORT	Prevalence and characterization of symptoms in presumed branch-duct IPMNs of the pancreas
	AI EUS IPMN	Differentiation of low grade IPMN from high grade IPMN/invasive carcinoma from EUS images using deep learning.
Registri generali con pazienti con patologie pancreatiche	PANCYOUNG	Prospective Registry of Young-Adult Patients diagnosed with Pancreatic Cancer
	PAD-R Register	Register of patients affected by pancreatic disease
Cancro Familiare	PRECEDE	Pancreatic Cancer Early Detection consortium
	IRFARPC	Italian Registry of Families at Risk of Pancreatic Cancer
	PROPHITA	Standardized genetic profiling of subjects belonging to the Italian Multicenter Registry of Prospective Surveillance of Subjects at Genetic Risk of Pancreatic Cancer
Oncologia (Cancro del Pancreas)	ADAPTA	The ADAPTA Study: ADjuvant chemotherAPy after curative intent resecTion of Ampullary cancer. A pan-European prospective multicenter double single arm cohort study.
	Oncosil	An open-label, multi-centre, randomized study of TaRgeted Intratumoural Placement of Phosphorous-32 (OncoSil™) in addition to FOLFIRINOX chemotherapy versus FOLFIRINOX chemotherapy alone in patients with unresectable locally advanced pancreatic adenocarcinoma.
	Predator	Pancreatic cancer pEriodontal sTatus and Oral micRobiome
Tecnica Chirurgica e gestione perioperatoria	PALN	Removal of para-aortic lymph nodes during initial pancreatic duodenectomy for pancreatic ductal adenocarcinoma: should it be performed? A randomized controlled multicenter trial. – PALN

	TETRIS	Total pancreatectomy or high-risk pancreatic anastomosis after pancreatoduodenectomy (TETRIS): a randomized controlled trial.
	DELTA	Exploring the role of Delta-Bilirubin in the management of obstructive jaundice in patients with malignant biliary obstruction: a prospective protocol
	Bolero	Portomesenteric vein and arterial thrombosis in pancreatoduodenectomy and total pancreatectomy for pancreatic ductal adenocarcinoma
	PPAP	Clinical and economic validation of the International Study Group for Pancreatic Surgery (ISGPS) definition of Postpancreatectomy Acute Pancreatitis (PPAP).
Psicologia	PSY-SECURITY	Psychological surveillance program for individuals at high risk of pancreatic cancer.
Altre Specialità (Anestesia, Medicina)	Histap	Effect of individualized vs Standard Blood Pressure Management Strategies on Postoperative Organ Dysfunction Among High-Risk Patients Undergoing Major Surgery.
	AOP 1023	Ipercoagulabilità e disfunzione endoteliale nel paziente con neoplasia

Grants

- AIRC Investigator Grant 2025-2030: "GNA15 Signaling Pathways Regulating pancreatic cAnceR Dissemination (SPREAD)" (757.000€)
- 2022 PNRR Heal Italia "Health Extended ALLiance for Innovative Therapies, Advanced Lab-research, and Integrated Approaches of Precision Medicine" Referente spoke 2
- 2022 PRIN: "The ROle of Obesity on The progressIoN of Intraductal Papillary Mucinous Neoplasm of the pancreas (ROOTIN-IPMN)" (83.929€)
- 2021 AMC Medical Research B.V. erogazione liberale per condurre lo studio PANDORINA
- 2019 Finanziamento del Ministero della Salute "Traduzione applicativa dei risultati della ricerca sul genoma dei tumori del pancreas" (1.000.000,00€)
- 2018 Borsa di studio di Scienza di Base "Signaling via heterotrimeric G-Proteins to trace pancreatic cancer cells and micrometastasis" (50.000,00€)
- 2018 "Programma di stewardship antibiotica in chirurgia pancreatică: un'analisi multicentrica delle serie storiche" AIFA- TRS-2018-00001695 (450.000,00€)

Attività didattica

Corsi:

- Cure palliative in ospedale
- Clinica Chirurgica – Scuola di Medicina
- Donne e salute
- Infermieristica clinica in area chirurgica- Modulo Chirurgia Generale
- Accesso ai farmaci essenziali nei paesi in via di sviluppo
- Medicina umanitaria
- Tirocinio pratico-valutativo per l'esame di stato-area chirurgica
- Trattamento multimodale delle neoplasie epato-bilio-pancreatiche
- Introduzione alla chirurgia robotica- Chirurgia laparoscopica mini-invasiva e robotica: principi, vantaggi, costi, benefici

Incarichi universitari:

- Rappresentante delle Scuole di Specialità di area chirurgica all'interno del Consiglio della Scuola di Medicina e Chirurgia
- Direttore del Master in Cure Palliative
- Membro del Consiglio della Scuola di Medicina
- Direttore della Scuola di Specializzazione in Medicina e Chirurgia
- Membro del Collegio dei Docenti del Corso di Laurea in Infermieristica e del C.D.L.M. in Scienze Infermieristiche e Ostetriche
- Membro del Collegio dei Docenti del Corso di Dottorato in “Scienze Chirurgiche e Cardiovascolari”

Relatore di tesi:

Laurea in Medicina e Chirurgia

Laurea in Infermieristica

Dottorato di

Dottorato di ricerca in Infiammazione Immunità e Cancro

Convegni

Moderatore e relatore su invito ad oltre 150 convegni nazionali e internazionali negli ultimi 10 anni (di seguito l'elenco dei più rilevanti negli ultimi 20 anni):

2025

57th EPC (European Pancreatic Club), 2-5/07/2025, Düsseldorf, Germania

L'etica nella medicina moderna: adenocarcinoma del pancreas, cosa c'è di nuovo?
"PDAC il limite oltre il quale non andare", 23-24 giugno 2025, Treviso

XIV Congresso Nazionale Gruppo di Ricerca in Psicosomatica (GRP): "Aspetti psicosomatici e dilemmi etici nella cura dei soggetti ad alto rischio di sviluppare neoplasia pancreatica" 19-20/06/2025, Verona

E-AHPBA, 9-13/06/2025, Dublino, Irlanda

Modello organizzativo e clinico per la gestione del tumore esocrino del pancreas, 30-05-2025 Firenze

La rete veneta delle Cure Palliative in età pediatrica, forum delle Aziende Sanitarie, "L'esperienza del master in cure palliative a Verona", 27-05-2025 Venezia

AISP Spring Meeting, 8-9/05/2025, Salerno

ESA (European Surgical Association), 2-3/05/2025, Ginevra, Svizzera

Corso ACOI, L'anastomosi pancreatica robotica, 22-04-2025, webinar

Cracking Cancer Forum, Il ruolo delle Pancreas Unit, 16-04-2025, Bologna

Arena 2025 Pancreas multidisciplinare multimodale, 11-04-2025, Verona

EDS 2025, 9-13/04/2025, Istanbul, Turchia

Master II livello in Minimally invasive and robotic techniques in oncologic digestive surgery (Bologna): "Robotic Whipple anastomosis", 10-04-25, webinar

Pancreas 2000, 2-5/04/2025, Lecce

ESR (European Society of Radiology), 27-28/02/2025, Vienna, Austria

Focus in Chirurgia pancreatica, Tumori cistici del pancreas: Evoluzione del trattamento nel corso degli anni in un centro di livello internazionale, 18-01-2025, Firenze

Pancreas Unit, 15-01-2025, Verona

2024

Congresso SICE (Società Italiana di Chirurgia Endoscopia e Nuove tecnologie): "La gestione delle complicanze: tra multidisciplinarietà e mini-invasività" 05/12/2024, Treviso

Congresso regionale SICE "Innovazione tecnologica e formazione in chirurgia: a che punto siamo?" 16/11/2024, Modena

Corso di Chirurgia Pancreatica, 6-7-8/11/2024, Verona

"Apollo cancer conclave 2024" 8-11/11/2024, Mumbai, India

"Botton-Champalimaud international pancreatic cancer conference" 23-26/10/2024, Lisbona, Portogallo

126° Congresso nazionale SIC, 13-16/10/2024, Roma

XI Congresso Nazionale Itanet, 10-11/10/2024, Palermo

XLIV Congresso Nazionale SICO, 26-28/09/2024, Messina

XLVIII Congresso AISP, 12-13/09/2024, Bergamo

56th EPC Meeting, 26-29/06/2024 Santiago de Compostela, Spagna

"Pancreas cancer: the Gianluca Viali legacy" 31/05/2024, Cremona

IHPBA 2024, 15-18/05/2024, Capetown, South Africa

18-20/4: 16th EDS Postgraduate course, 18-20/04/2024 Oporto, Portogallo

III congresso nazionale AICEP "Navigating the continuum from mini to macro approaches". 3-5/04/2024, Padova

XXXV Simposio Associazione "Roberto Farini ONLUS" per la ricerca gastroenterologica, 25-27/01/2024 Padova

Società letteraria "La vita nelle cure palliative" 29/01/2024, 19/02/2024, Verona

2023

ESGAR Meeting, Venezia, 2-3 Novembre

"Nuove tendenze nel tumore del pancreas", Chieti, 6-7 Ottobre

Associazione slovena di gastroenterologia ed epatologia, Alpe Adria, Slovenia, 20-21 Ottobre

Congresso SIC, Pisa, 16-19 Settembre

Congresso ACOI, Roma, 12-13 Settembre

XLVII Incontro AISP, Bergamo, 7-8 Settembre

Webinar dal vivo sul pancreas, II edizione, Bologna, Luglio

Future in progress. XXXIV Congresso Nazionale S.P.I.G.C", Roma, Giugno

“Imaging of pancreatic tumors”

Mainz 23-26th May 2017.
12th Biennial Congress of the E-AHPBA:
“Management of complications in HPB surgery”.

Bari 8-10th June 2017.
National Congress about italian endocrine surgery:
“A case report and letterature reviw: Saving the parenchyma”.

Torino 16th June 2017.
ACOI Piemonte:
“Pancreatic tumor at S. Giovanni Bosco Hospital, Torino – II Edition. Focus on lesioni cistiche”

Atlanta 19-21st June 2017.
Global Clinical Council for Liver and Pancreatic Surgery

Modena 22-24th June Giugno 2017.
XIV Edition of National Seminar of PhD and graduate School in General Surgery.

Budapest 28th June-1st July 2017.
EPC:
“Neoadjuvants in pancreatic cancer”.

Oporto, 7-8th July 2017.
HEBIPA MEETING 2017: PANCREAS SURGERY-
“Pancreatic leak: how to manage and how to prevent?”

Bogotá, 22-25 August 2017.
43° Congress “Advances in Surgery”

Rozzano, 5-7 October 2017.
XLI Congress AISP Italian Association on study of pancreas:
“Pancreatic leak and drain post acute pancreatitis: timing and tecnique”

Marseille, 13 October 2017.

JOURNÉE PANCRÉAS PROGRAMME UPDATES IN PANCREATIC CANCER

Peschiera del Garda (VR), 23-25 October 2017.

“Advanced course on pancreatic surgery, diagnostic procedures and treatment”

Verona, 10-11 November 2017.

Radiofrequency ablation

Milano, 28 November 2017:

Open questions on pancreatic cancer

Torino, 27 November 2017

EGEUS

“Clinical or suspicion of pancreatic cancer: how to proceed? The surgeon’s point of view”

Padova 12 December 2017

Tuesday’s meeting 2017-2018

“Pancreatic cystic neoplasms: from diagnosis to treatment”

2016

Baona 10th March 2016.

E- AHPBA II International Congress on Hepato-pancreatic-biliary Surgery:

“Complications in HPB Surgery”

“Pancreatic leak how to avoid grade C”

Bassano del Grappa (VI), 27th May 2016.

The emergency for the general surgeon:

"Emergent Interventions in General Surgery"

Padova, 17-18th June 2016.

National Congress ISSE. “Pancreatic Neoplasms”

Oporto, 30th June- 4th July 2016.

HEBIPA meeting 2016.

“Intraductal papillary mucinous neoplasm of the pancreas: criteria for surgery”

“Local ablative strategies for pancreatic cancer: a review”

Sendai, 5th August 2016.

International Consensus on the Management of IMPN-IAP 2016:

“Does the size of mural nodule matter to predict malignancy in BD-IPMN? A systematic review of

the literature and single high-volume center experience”

Napoli, 16th September 2016.

ACOI Congress- Pancreatic surgery between tradition and technology

“Duodenocephalopancreasectomy Robotic technique / Open technique”

Torino, 4-5th November 2016.

XVII FISMAD- ANOTE/AIGEA. Gastroenterology 2016: management.

“When do we need surgery?”

Roma, 25-29th September 2016.

Joint Congress of Italian SURgical societies

“Pancreatitis”

Peschiera del Garda (VR), 17-19th October 2016.

II° advanced course of pancreatic surgery

From diagnosis to treatment Cystic neoplasm of pancreas: “when wait and see and when resect?”

Perugia, 23-25th October 2016. 2nd International Conference of Surgical Oncology:

“Do we do the same? Present practice and results of surgery after neoadjuvant treatment in two highvolume centers”

Bruxelles, 28th October 2016.

Sixteenth Postgraduate course HPB.

“Benign and precancerous lesions of the liver, biliary tract and pancreas”

Peschiera del Garda (VR), 4th November 2016.

“PEDERZOLI’s pancreatic Imaging”

“Cystic serous lesion and cystic mucinous neoplasm”

“Clinical, Anatomic-pathological and radiological point of view”

Thessaloniki 9-12th November 2016.

30th Panhellenic Congress of Surgery.

“Cystic tumors management: Beyond the guidelines”

Roma, 11-12th November 2016.

Quality and Innovation in Pancreatic Disorders:

“Q&I in the Diagnosis and Treatment of Pancreatic Cystic Lesions”

2015

Global Clinical Council for Liver & Pancreas Surgery, Hamburg, 9-10th April

Manchester 21-24th April 2015.

11th Congress of The European-African Hepato-Pancreato-Biliary Association

"Presentation of clinical cases and brainstorming"

Washington 15-16th May 2015.

49th Annual Meeting of the pancreas club:

"Inaccuracy of pre-operative size determination in pancreatic neuroendocrine tumors: a retrospective study on 199 patients"

"Beyond the numbers: the pattern of lymph node metastasis allows for distinguishing different N+ categories- reappraisal of the Japanese classification of lymph node metastases in pancreatic adenocarcinoma"

"Predictors of postoperative outcome after distal pancreatectomy: the answer from two high-volume", "Pre-operative physical status and mortality in patients undergoing major pancreatic surgery"

"Para-aortic lymph nodes metastases from ductal adenocarcinoma of the pancreas: do they really make a difference?"

Porto 9-10th June 2015.

HEBIPA meeting 2015-Pancreas Neoplasm:

"Pancreas Cancer- Surgery for pancreatic cancer: state of the art"

Berlino 12-13th June 2015.

DGVS Spring Conference 2015- Pancreatology: Clinical and Translational Research:

"Registries for Pancreatic Disease"

Napoli 9-12th September 2015.

XXXVIII Congress SICO:

"When to resect an IPMN"

Verona 26th September 2015.

Surgery Society of Tyrol, Veneto and Lombardia

"Main biliary duct lithiasis"

Peschiera 28-30th September 2015.

Advanced course of pancreatic surgery-from diagnostic surgery to therapeutic strategies:

"Pancreatic cystic neoplasms: when the surgery and when the follow up "

Barcellona, October 2015.

UEG Week 2015. Pattern of recurrence in resected IPMN of the pancreas: preliminary results from a multi-institutional international study

Monza, 6th October 2015. Pancreatic cystic neoplasms

Milano, 23th October 2015.

XXXIX National Congress AISP:
"Follow-up IPMN: why MRI"

Milano, 21-24th October 2015.

117° National Congress of the Italian Society of Surgery. Italian surgery in the year of the expo: ready for the challenges:

"Focus on: IPMN Treatment: Current Evidence"

"Using RMN and US in Special Clinical Situations"

Marsiglia, 5th November 2015.

Study on IMILT in locally advanced pancreatic carcinoma training of study teams

Padova, 10th November 2015

"Pancreatic Cysts: Surgical Approach"

2014

Padova, 28th March 2014.

Therapeutic and Diagnostic Nursing Paths for Patients with Pancreatic Cancer

"Radical and palliative surgical approach"

Verona, 12-13th May 2017.

Arena 2017:

"Pancreatic tumors imaging".

Atlanta, 19-2th June 2017.

Global Clinical Council for Liver and Pancreatic Surgery

Southampton, 25-28th June 2014.

Combined EPC & IAP meeting:

"Pathologic evaluation and reporting of intraductal papillary mucinous neoplasm of the pancreas and

other tumoral intraepithelial neoplasm of pancreatobiliary tract: recommendations of Verona expert meeting"

Verona, 3-5th July 2014.

International Symposium on pancreas cancer 2014:

"PanIntraNet meeting on Cystic Tumors: Where are we now?"

Verona, 10th October 2014.

The diagnostic-therapeutic route in patients with IPE: the role of MMG:

"Exocrine pancreatic insufficiency in pancreatic neoplasms and operated patients"

Vienna, 18-22th October 2014.

UEG United European Gastroenterology. 22nd United European Gastroenterology

Week:

"Cystic pancreatic lesion: Not only a diagnostic dilemma. Observation or resection of pancreatic cystic lesion?"

Cluj-Napoca, 30th October-1st November 2014.

EFISDS& EDS Postgraduate Course 2014:

"Pancreatic resection- to drain, or not to drain?"

Catania, 6-7th November 2014.

8° National Congress of the Italian Chapter of International Hepato-Pancreato-Biliary-Association (IHPBA).

"Round table: early recovery after Pancreatic Surgery"

Lione, 14th November 2014.

HPB SurG Meeting 2014:

"Surgical indications in cystic pancreatic neoplasms"

Roma, 27th November 2014.

"Locoregional treatments present or future?"

2013

Madonna di Campiglio (TN), 30th January.

3rd February 2013. Alpine liver and pancreatic surgery meeting 2013:

"Guidelines on the management of pancreatic cystic neoplasm".

Garda (Verona), 22-23th April 2013.

1° International Expert Meeting on Branch-Duct Intraductal Papillary Mucinous Neoplasms of the Pancreas. (Moderator e Scientific Committee)

Istanbul, 9-11th May 2013.

7th European Digestive Surgery, Postgraduate Course:

"Ablation techniques in non-resectable pancreatic cancer"

Belgrado, 29-31th May 2013.

10th Congress E-AHPBA:

"Cystic pancreatic tumors. Follow up and post surgical intervention"

Bari 13-15th June 2013.

XXV National Congress of Polispecialist Italian Society of Young Surgeons:

"Malignancy predictive factors and management of cystic lesions of the pancreas"

Zurich, 26-29th June 2013.

45th Annual meeting of European Pancreatic Club (EPC):

"Novel techniques in pancreatic surgery- The future of ablation therapy and the nano-knife".

Berlin, 12-16th October 2013.

21st United European Gastroenterology Week:

“Local ablative therapy in pancreatic cancer: hype or hope?” (Relator and Ethic Commiittee – Future trend comitée)

Torino, 13-16th October 2013.

115° National Congress of the Italian Society of Surgery:

“Pancreatic cystic neoplasms. Surgery. How, when and why. ”

Abano Terme 13-15th November 2013.

XIII National Congress SICOP: Pancreatic cystic neoplasms. Surgery. How, when and why”

2012

Bologna, 19-20th April 2012.

7° Congress of the Italian Chapter It-IHPBA:

“The role of complement RF as down-staging”

Bologna, 24-26th June 2012.

X National Congress of the Italian Society of Universitary Surgeons:

“Pancreatic Surgery. IPMN”

Lyon (Francia), Hopital Edouard Herriot

19th September 2012. Conferences de Chirurgie et Pathologie Digestive, Hépatobiliaire et Pancréatique:

“Cystic pancreatic neoplasms: surveillance or surgery?”

Bologna, 4-6th October 2012.

XXXVI Annual Meeting of the Italian Association for the Study of the Pancreas (AISP):

“Face to Face on Branc-duct IPMN: Better to observe”

Amsterdam, 20-24th October 2012.

20th United European Gastroenterology Week.

(Comitato scientifico – Future trend committée)

Verona, 16th November 2012.

Pancreatic diseases: the diagnostic-therapeutic pathways from the Hospital to the territory: “Indispensable knowledge&skills on recurrent and chronic pancreatitis”

2011

Torino, 5-6th March 2011.

XVII Digestive Diseases National Congress:

“Pancreatic Cysts. Therapies and Guidelines”

Bassano del Grappa (VI), 24th March 2011.

Multidisciplinary clinical-radiological audit:

“Pancreatic cystic neoplasms”

Cape Town (Sud Africa), 12-16th April 2011.

9th African-European Hepato Pancreato Biliary Association:

“Pancreatic Cystic Neoplasms – Who can be observed?”

Bassano del Grappa (VI), 12th May 2011.

Clinical-therapeutic management of pancreatic inflammatory disease: comparison of specialists. Multidisciplinary clinical-radiological audit:

“Pancreatitis. The role of the Surgeon.”

Trani, 12-14th May 2011.

Imaging in Clinical Practice. Retroperitoneum and retroperitoneal organs:

“Pancreatic Disease”

Modena, 16,17th June 2011.

Focus on: Hot topics in hepato-biliary-pancreatic surgery and liver transplantation:

“Pancreatic cystic neoplasms: surgery or observation?”

Mestre, 30th of September 2011. Auditorium “C. Rama” Ospedale dell'Angelo.

Surgery Seminars:

“Pancreatic cystic tumors”

Stoccolma, 22-26th October 2011.

19th United European Gastroenterology Week. European consensus conference on Cystic pancreatic tumours. (Relatore e Comitato scientifico – Future trend comité):

“Branch duct IPMN: can we be less aggressive? When and How”.

Boston, MA. 29th October 2011

Festschrift in Honor of Andrew L. Warshaw:

“Pancreatic Resections for cystic neoplasms: from the surgeon’s presumption to the pathologist’s reality!”

Lublin, Poland, 24-26th November 2011.

EDS Postgraduate Course 2011:

“Advances in Gastro-Intestinal Surgery”

“Pancreaticojejunostomy vs. Pancreaticogastrostomy”

Roma, 2nd-3rd December 2011.

Pancreatic Cancer. Diagnosis, Therapy and Medical Responsibility:

"Cystic Pancreatic Lesions"

2010

Ravenna, 3rd October 2010.

Postoperative Surgical Complications in Abdominal Surgery:

“Complications and treatment in pancreatic surgery”

Monza, 6th March 2010.

The surgeon and the critical patient:

“Severe acute pancreatitis”

Tripoli (Lebanon) 14-15th May 2010.

9th International Congress of the Surgical Society of the North Lebanon:

“ RFA in the management of local advanced pancreatic neoplasms”

San Benedetto Po (MN) – 12th June 2010.

36th Annual Meeting of Surgery Society of Tirolo, Veneto and Lombardia:

“Infectious complications of severe acute pancreatitis”

Torino, 24-25th September 2010.

6° International Hepato-Pancreato-Biliary Association Italian Chapter:

“Pancreatic cystic neoplasms: papillary intraductal mucinous neoplasms”

Southampton, UK. 30th September-1st October 2010.

Pancreatic Diseases Meeting – UK Guidelines:

“Cystic lesions of the pancreas”

Istanbul (Turchia), 1st-2nd October 2010.

III Scientific Meeting Technical Challenges in Hepato-Pancreato-Biliary Surgery:

“ Cystic neoplasms of the Pancreas”

“ RFA in advanced pancreatic Tumors”

Peschiera del Garda (VR), 7-9th October 2010.

XXXIV National Congress AISP:

“Pancreatic Radiofrequency”

Cluj-Napoca, Romania, 4-6th November 2010.

EDS Postgraduate Course 2010:

“Challenges in GI-Surgery”

“Extent of radical surgery in pancreatic cancer”

Bolzano, 28-30th November 2010.

2010 Gastroenterology update:

“Cystic pancreatic tumors”

Abano Terme (PD), 12-13th November 2010.

XII Gastroenterology and Digestive Endoscopy Training Course 2010. Odyssey in

Gastroenterology:

"Surgeon's role in the cystic pancreatic pathology"

2009

Madonna di Campiglio (TN), 1st – 6th February 2009.

4th Alpine Liver & Pancreatic Surgery (ALPS) Meeting:

"All We know about IPMNs"

Atene, 17-20th June 2009.

8th EHPBA Congress:

"Case report: a case of serous cystadenoma of the pancreas"

Verona, 11th September 2009.

Verona anatomy of a Friendship:

"Intraductal Papillary Mucinous Neoplasms: Surgery"

Genova, 18th September 2009

Workshop Pancreatic Surgery:

"Pancreatic Mucinous Neoplasms. IPMNs: Surgery"

Ancona, 25th September 2009.

What's new in pancreatic surgery:

"In the surgery of cystic tumors"

Treviso 11-12th June 2009.

Joint meeting on Pitfalls, Problems and Complications in Liver, Pancreatic and Bile Duct Surgery:

"Pancreas. Case Report Section."

2008

Mumbai, India 27th February-2nd March 2008.

8th World Congress of IHPBA:

"SYMPOSIUM 13: IPMN, Extent of resection – West"

Verona, 27th June 2008.

Radiological Veronese Friday:

"The surgeon in: Ultrasonography with contrast enhancer. A comparison from Clinical Impact and opinions : the pancreas "

Treviso, 26-28th June 2008.

International HPB Association, 5° Congress of the Italian Chapter

Round Table about "Intraductal tumors" : The Pancreatic Surgical Cystic Cancer Surgery: state of the art ".

Montecatini Terme (PI), 2-4th October 2008.
"Production of clinical cases" (Moderator).

Verona, 25th November 2008.
XXXII National Congress AISP. Multidisciplinary Meetings of Policlinic Rehabilitation Health Personnel:
"Surgical interventions in pancreatic disease"

2007

Verona 6-9th June 2007.
4th Congress of the Italian Chapter of the International HPB Association:
"Update Lecture: Cystic Tumours of the pancreas"

Verona 6-9th June 2007.
7th Congress of the European Chapter of the European HPB Association:
"Intraductal papillary mucinous Tumors"

Parigi, 27-31th October 2007.
15th United gastroenterology Week:
"IPMN: when to operate, when to observe"

Kaunas, Lithuania, 9-10th November 2007.
EDS Postgraduate Course: Contemporary Surgery of the Alimentary Tract:
"Therapy of Chronic pancreatitis: Surgery versus interventional therapy" (speaker and moderator)

2006

Legnago (VR), 7th October, 2006.
Pancreatic cystic neoplasms:
"Medical assistance after pancreatic surgery"

Santo Stefano di Camastra, 9-10th June 2006.
Updating in Surgery and Oncology:
"The role of lymphadenectomy in pancreatic cancer"

2005

Peschiera del Garda (VR), 23th April, 2005.
Professional Upgrade Course on Pancreatic Diseases:
"Pancreatic cancers: cystic tumors"

Verona, 2-5th May 2005.
Theoretical-practical updating course on diagnosis and treatment of inflammatory diseases of the pancreas:
"The differential diagnosis of pancreatic diseases. Localized or diffused Wirsung's

duct dilation”

Firenze, 28-31th May 2005.

16th Annual Meeting and Postgraduate Course ESGAR 2005:

“Cystic pancreatic lesions: a surgeon’s perspective”

Roma, 15-17th June 2005.

XVII National Congress SPIGC:

“Pancreatic papillary tumors: a new clinical entity”

Verona, 8-10th September 2005.

The Pancreas: the modern imaging diagnostics:

“Cystic tumors. Clinical Overview. Questions to the Radiologist”

2004

Siena, 6-8th of May 2004.

XVII National Congress SPIGC:

“Extended lymphadenectomy”

Abano Terme, 23th June 2004.

VI Italian- Hungarian Meeting:

“Symposium on Intraductal Papillary Mucinous Tumors: Can malignancy be predicted by clinical findings?”

Enna Bassa, 10-11th September 2004:

“Evidence-based medicine on pancreatic diseases”(speaker and moderator)

"Cystic tumors"

Thessaloniki, 2-5th October 2004.

24th Panhellenic Congress of Surgery:

“Chronic Pancreatitis. Diagnostic and Therapeutic Advancement”

Verona, 28-30th October 2004.

XXVIII National Congress of Italian Association for the Study of Pancreas (AISP)

“Intraductal Papillary Mucinous Tumors. Surgery Therapy: where to stop?”

Bologna, 11th December 2004.

Acute Pancreatitis Disorders: Comparative Opinions:

“Surgical Therapy in Sterile Necrosis: Surgical or Medical Therapy?”

2003

Boston, MA. 6th March 2003.

Invited speaker at the Massachusetts General Hospital, Harvard Medical School:

“Cystic Tumours of the pancreas. Can Malignancy be predicted in Main Duct IPMNs of the pancreas?”
